

New Student School Uniform Fittings

- Appointments are required for uniform fittings. Appointments will be available during the last weeks of Term 4 and in January 2024.
- We recommend coming into the Uniform Shop for a fitting as our sizes may differ from the regular size your child takes. This makes ordering from our online shop difficult for new students.
- Parents/Carers must have an appointment to access the uniform shop before the school term begins.
- Appointment duration is 30 minutes per child, **if you have more than one child, please book 2 appointments.**
